Start Using SpeedVisa

What is SpeedVisa?

SpeedVisa is an online tool designed to help international students complete the necessary procedures to live comfortably in Japan.

It allows users to easily apply for residence permits and report residence card information to their schools.

Students can access the platform via a web browser after receiving an invitation email from the school.

Open URL in email

You will receive an email inviting you to join SpeedVisa from SpeedVisa Support Team (<u>wecare@s.s-visa.com</u>). Push the [Verify email address] button for authentication. **%The link button expires in 10 days.**

For School Staff
