

# Start Using SpeedVisa

For Student

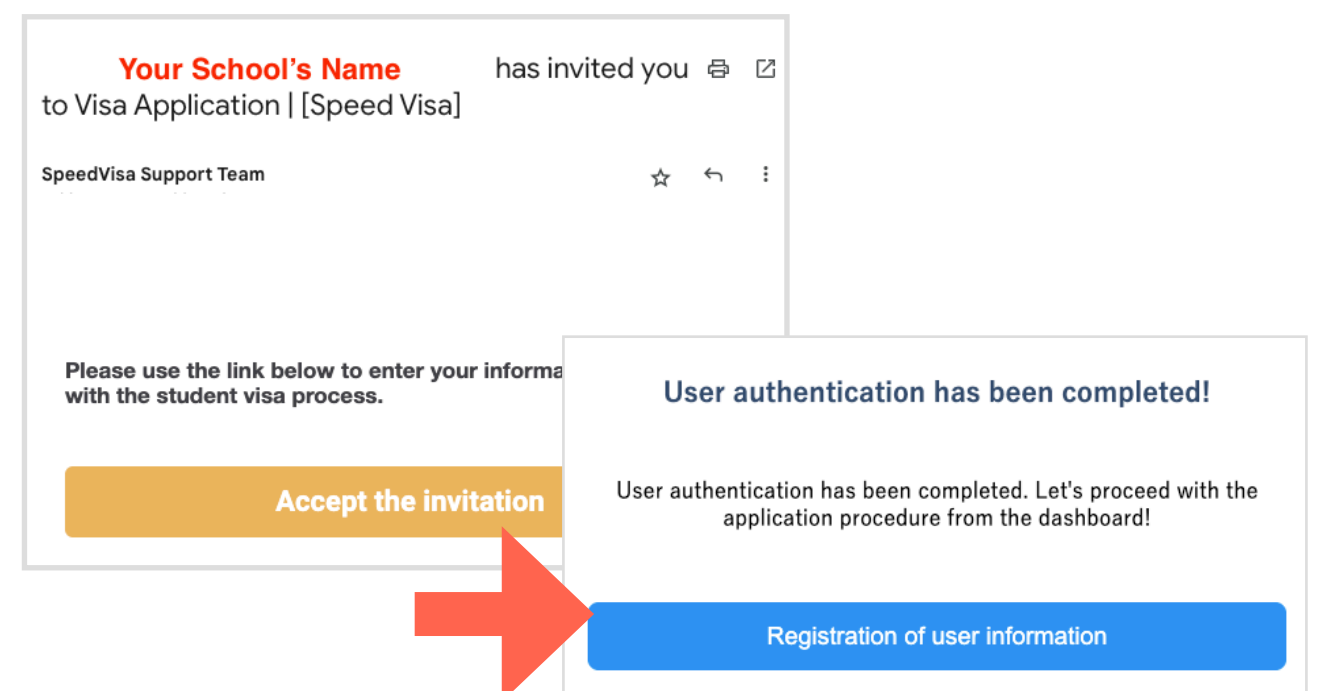

## What is SpeedVisa ?

With SpeedVisa, you can do necessary procedures as an international student in Japan. You can easily apply for status of residence and report your residence card information to school. To start using, you will receive an invitation e-mail and access the site using a web browser.

### Step 1 Open URL in email

You will receive an email inviting you to join SpeedVisa from SpeedVisa Support Team ([wecare@s-visa.com](mailto:wecare@s-visa.com)). Push the [Accept the Invitation] button for authentication.

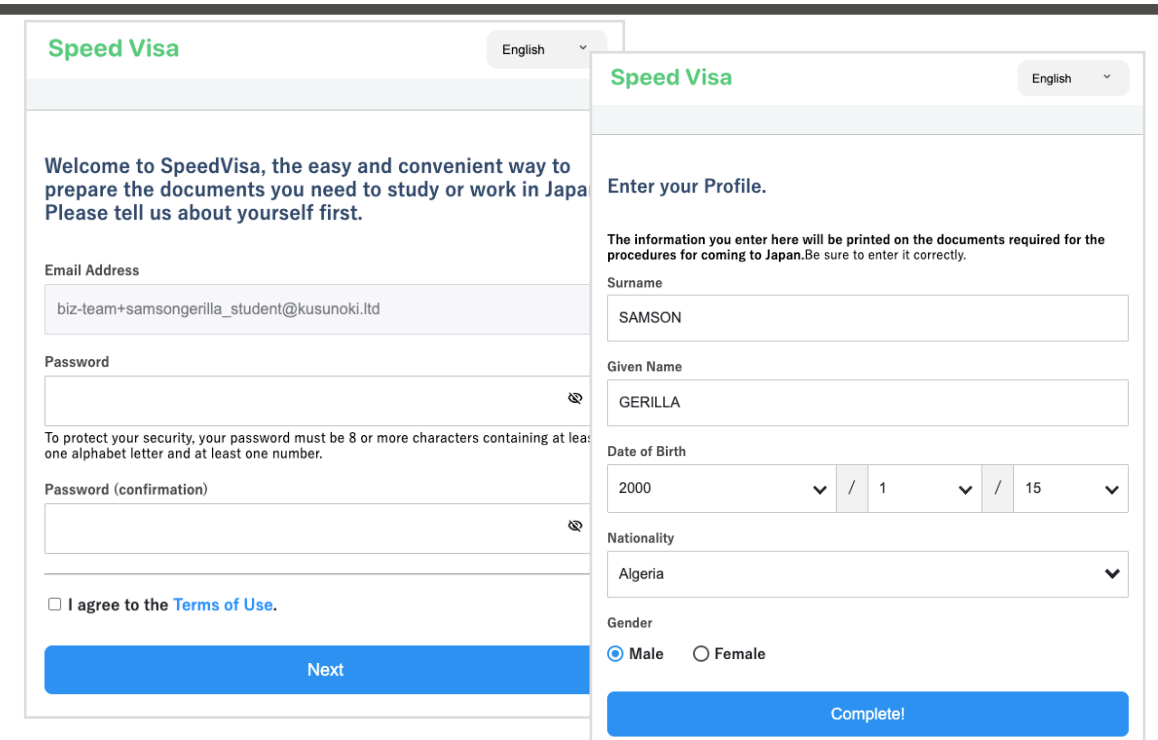

※The link button expires in 10 days.

### Step 2 User Registration

1 Set up Password

2 Confirm your Profile

### Step 3 Start Using

Go to Dashboard and start using!  
Bookmark the login screen in your browser.  
Save your login information as well.  
It will make easier to log in next time.

◀ Login from here
